Midwest Machine Learning Symposium 2025

June 23-24, 2025

MMLS 2025

Convening machine learning researchers for **discussions and debates**

Fostering **cross-institutional collaboration**,

Showcasing the **collective talent** of machine learning researchers at all career stages.

Join us in shaping the future of machine learning while building meaningful relationships with the brightest minds in the Midwest and beyond.

Sponsorship Benefits	Bronze Sponsor $2,500	Gold Sponsor $7,500	Platinum Sponsor $15,000
Visibility			
Recognition on symposium website and promotional materials	✔	✔	✔

THE UNIVERSITY OF CHICAGO

Midwest Machine Learning Symposium 2025

June 23-24, 2025

Plenary Speakers

Sanjeev Arora
Princeton University

Charles C. Fitzmorris Professor of Computer Science

Founding Director, Princeton Language and Intelligence

Heng Ji
University of Illinois Urbana-Champaign

Professor of Computer Science

Founding Director, Amazon-Illinois Center on AI

Tuomas Sandholm
Carnegie-Melon University

Angel Jordan Professor of Computer Science
Co-Director, Carnegie-Melon AI

Ben Zhao
University of Chicago

Neubauer Professor of Computer Science
Time Magazine's 100 Most Influential People in AI (2024)
